All information will be emailed to this individual who is then responsible for sharing it with all teachers who will have students competing at the Ying Expo.

Each school entering projects in the Dr. Nelson Ying Orange County Science Exposition is **required** to have a teacher representative attend each of the following meetings or fair events.

<u>Date</u>	<u>Location</u>	<u>Event</u>
08/19/2023	Orlando Science Center	Ying Expo informational meeting from 10:00-12:00 noon
02/14/2024	Trinity Preparatory School	Ying Expo project set-up from 4:00-7:00 pm
02/15/2024	Trinity Preparatory School	Ying Expo judging and open house 7:30 am-2:30 pm

There is a participation fee of \$15.00 per student that all schools are responsible to pay with the final registration of all projects on January 19, 2024. If your school is a cash sponsor/donor for more than your required registration fees, you are exempt from these fees. All schools shall provide two judges for the Ying Expo on February 15, 2024 from 7:30-12:00 noon. They can be teachers, parents, or other colleagues. They cannot be the required chaperone for your school.

Please determine an **approximate number** of projects for the appropriate section and **write it** in the space provided below.

_____ Grades 6-8 (Junior Section) No more than 4 projects in the same category, no more than 28 total projects.

_____ Grades 9-12 (Senior Section) Unlimited quality projects.

The signatures below indicate that the school entering the 2023-2024 Ying Expo agrees to follow the International Science and Engineering Fair Rules and Guidelines (<https://www.societyforscience.org/isef/international-rules/>) and send representatives to all meetings, meet all required deadlines, provide two judges and pay participation fee of \$15.00 per student participant.
